

Retain New Jersey's "Do Not Call" Law.

Currently, New Jersey's 'Do Not Call' law is among the strictest in the country. As a result, many residents report almost a 100% drop in unsolicited sales calls. Now, the law is under attack from telemarketers who want the ability to call people despite the fact that they have signed up for the 'Do Not Call' list.

I support New Jersey's 'Do Not Call' law, and ask that you turn your Fascist Republican interests elsewhere.

Thank you
